

# Andri Retynskyi

34 y.o. Product Designer from Ukraine. I started my career more than 15 years ago as a Web Designer.

Last five years, I travel for work and work for travel. I've been working on an immigration product in the US, on crypto exchange and investment platform in Cyprus, on online banking and bank CRM in Ukraine.

Strong skills in UX (wireframing, prototyping, user testing, information architecture, copywriting), UI and Graphic Design (web, mobile, and devices with touch interfaces, print, branding).

Open-minded towards new ideas, technologies and tools.

Ukraine, Kyiv
